# Just a word from Miss Shannon

**Shannon Murphy • Assistant Director of Music/Organist**

Dear children of Trinity,

Happy Sunday! It's been great to meet a few of you at Midweek. I hope to meet even more of you in the coming weeks.

Do you like a fun challenge? Do you like music? Do you like to sing? If you answered yes to any of these questions, then join our choirs! We sing fun and really beautiful songs, there is a challenge in every class, and we learn to make our voice even better than it already is.

If you think you cannot sing, think about this - God created us all with potential. Some of us have more potential than others. We cannot change our potential. But what we can do is improve our ability.

There's a story about God giving a person one coin, giving another two coins, and giving another five coins. To the one who took the five and grew it into ten, God said "Well done!". To the one who took the two and grew it into four, God said "Well done!". But to the one who had one but hid it away, growing nothing, God said that he did not do well. There are some of us who will be really good at music when we're young, and some of us who will not be very good at music when we're young. But all of us are called to grow and develop what God has given us.

I want to invite you to join our choirs. We work hard in these classes, learning how to read music, listen carefully, and building our voices into beautiful instruments. Isn't that an interesting thing to think about? Our voice is an instrument! Think of it like a flute, or a violin, or an organ!

When He created us, God gave us each an instrument - our voice. We use it every day, and we use it in a musical way! If you listen carefully, you'll notice that sometimes we speak quietly, sometimes loudly. Sometimes we say words slowly, sometimes we speak quickly! If you speak in any of these ways, you're already using your voice as a musical instrument.

Another reason to join the choir is that God commands us to sing to Him! And did you know the Bible tells us that He also sings to us? Thankfully, it's super fun to obey this particular command. :)

We hope to see you on Wednesday nights, it's a great time for the whole family, and there is delicious food!

Musically yours,

Miss Shannon

# Music and Hymns

## **#286 "Worship Christ, the Risen King"**

**Do you think of Christ as though He is alive and sitting at the right hand of God the Father? He is alive and awake and is always available to hear your prayers. You are not alone in this world. Christ has conquered the world and death and He is here for you! Praise Him and pray to Him with all of your praises and concerns and know that He hears you.  
He is not in the tomb for He is risen!**

## **#252 "When I Survey the Wondrous Cross"**

**Do you ever stop to take a real close look at the cross and what it meant for Jesus to have to die on that terrible instrument of torture for your very own sins? Many people don't like to think about the price Christ had to pay because those thoughts are just too painful. We might not be murderers or thieves, but we all have pride in our hearts. "Sorrow and love flow mingled down" means that as he was dying for us, he had the mixed emotions of love and sorrow at the same time.  
In the 4th verse, we see where Isaac Watts, the hymn writer, concludes that "love so amazing and divine demands our soul, our life, OUR ALL!**

**"He is not here; He has risen, just as He said."  
Matthew 28:6**
