# Just a word from Mr. Kurt

Kurt Cooper • Minister to Youth

Children,

What is your favorite part of a playground? Do you like the slides? What about the swings? Perhaps your favorite part is the seesaw or climbing wall. Did you know that there are scientists who study how kids use playgrounds in order to make them better and safer? One thing these scientists discovered is that one of the most important parts of a playground is the fence that surrounds it. That's kind of surprising isn't it? They discovered this when they installed a new playground at a school without a fence. Without a fence, all of the children tended to stay towards the center of the playground. After a while, they added a fence around the edge and do you know what happened? The children began to move out from the center. More and more, they began to play on the parts of the playground that weren't in the middle. The fence made them feel safe. It let them know where they could play and where they couldn't play. With the fence in place, they began to use the full playground. God's law is a lot like that playground fence. Christ tells us he wants our joy to be full. He tells us the way to have complete joy and it's not what you'd expect. Christ says by following his commandments, our joy can be complete. Christ's commandments aren't there to limit our joy, but to help us have full joy! Ask your parents to think of a rule or law that helps them have more joy (I'll give you a hint, ask them why they only ever use half the road while they are driving?). Maybe you can think of a commandment that gives you joy. Above all, remember that in Jesus, we have the credit for following God's commandments perfectly. That's definitely something for which to thank God.

In Christ,

Mr. Kurt

# Music and Hymns

## **"Arise, My Soul, Arise"**

After a good night's sleep, sometimes it's hard to crawl out of bed in the morning, isn't it? Maybe your Mom or Dad even has to say, "Get up, lazybones!" And you know, even when our bodies are awake and moving, our hearts and minds have a hard time waking up. We have trouble hearing God's voice, and we struggle to obey His Word. This hymn calls us to wake up! Listen! Follow God and pay attention to the Holy Spirit's leading. "Arise, my soul, arise, shake off your guilty fears!" Jesus is in heaven right now praying for us, and we have nothing to fear – He will take care of us in this life and promises to take us home to be with Him when we die. That's worth getting up for!

## **"How Deep the Father's Love"**

This is such a beautiful hymn about Jesus dying for our sins. Verse 2 says "behold the Man upon a cross, my sin upon His shoulders....it was my sin that held him there...His dying breath has brought me life, I know that it is finished." Have you ever thought about it that way? Our sins, committed almost 2,000 years after His death, held Him to the cross. Jesus died for all sinners and for all sins: past, present, and future. God knows the beginning from the end, the past, present, and future...He knew you before you were in your mother's womb. He wrote the pages of your life long, long ago. He sent His only son to die for your sins nearly 2,000 years before you were born. He loves you very deeply! Share this wonderful free gift with others!

**"He is able to save completely those who come to God through Him, because He always lives to intercede for them."**

**Hebrews 7:25**
